

Invitation

Leader Workshop Weekend 6th – 8th October 2017 Linnet Clough

You are invited to attend a B-PSA leader workshop weekend, which will incorporate the Association AGM.

This is an opportunity to meet other B-PSA leaders in a friendly, relaxed and constructive environment – exchange ideas, influence the Association's future, socialise, share some of your skills, find out more about Eurocamp18 and take part in some fun workshops.

Your National Committee has agreed, as an experiment, to subsidise this weekend – the only cost for you will be a £12.50 contribution to food and camp fees, and the cost of any on site activities provided by Linnet Clough (www.linnetclough.co.uk) We have booked the barn complex for the weekend, which includes bunk house bedded accommodation for 49 people or the option to camp in the adjacent field. Food will be provided from Friday evening through to Sunday lunch.

Activities, workshops, training, presentations and retail opportunities currently planned include:

- Archery (small payment for use of site range)
- Air rifles (small payment for use of site range)
- Beer making workshop
- Badge and Uniform shop
- Presentation from bursary recipients on the benefits to them and the Association
- Leather working and stamping
- Cub craft workshop
- Badge swap corner
- Child Protection training
- High ropes experience on "The Cube" (additional payment to site)
- Whatever else you want to do – either ask us to try to arrange it, or volunteer to run a workshop.

See next sheet for outline itinerary and booking procedure

Itinerary

Leader Workshop Weekend 6th – 8th October 2017 Linnet Clough

Friday 6th October

Optional opportunity to arrive for evening networking and social and supper

Saturday 7th October
